In the matter of the adoption of a	)	
temporary emergency rule closing the	)	NOTICE OF ADOPTION OF A
Silver Run Wildlife Management Area	)	TEMPORARY EMERGENCY RULE
in Carbon County	)	

## TO: All Concerned Persons

- 1. The Department of Fish, Wildlife and Parks (department) has determined the following reasons justify the adoption of a temporary emergency rule:
  - (a) The Rock Creek Wildfire is burning near Red Lodge, Montana.
- (b) The Department of Natural Resources has requested the closure and the department has determined the closure is necessary because of fire suppression efforts including heavy equipment bulldozing fire lines and water and fire retardant being dropped within the Silver Run Wildlife Management Area (WMA).
- (c) Recreationists within the WMA are at risk of personal injury due to water or fire retardant being dropped from aircraft or even death due to the conditions created by this rapidly spreading wildfire.
- (d) Therefore, as this situation constitutes an imminent peril to public health, safety, and welfare, and this threat cannot be averted or remedied by any other administrative act, the department adopts the following temporary emergency rule. The emergency rule will be sent as a press release to newspapers throughout the state. Also, signs informing the public of the closure will be posted at access points. The rule will be sent to interested parties, and published as a temporary emergency rule in Issue No. 17 of the 2013 Montana Administrative Register.
- 2. The department will make reasonable accommodations for persons with disabilities who wish to participate in the rulemaking process and need an alternative accessible format of the notice. If you require an accommodation, contact the department no later than 5:00 p.m. on September 20, 2013, to advise us of the nature of the accommodation that you need. Please contact Jessica Snyder, Fish, Wildlife and Parks, 1420 East Sixth Avenue, P.O. Box 200701, Helena, MT 59620-0701; telephone (406) 444-9785; fax (406) 444-7456; or e-mail jesssnyder@mt.gov.
- 3. The temporary emergency rule is effective August 21, 2013, when this rule notice is filed with the Secretary of State.
  - 4. The text of the temporary emergency rule provides as follows:

## RULE I SILVER RUN WILDLIFE MANAGEMENT AREA TEMPORARY EMERGENCY CLOSURE

- (2) The Silver Run Wildlife Management Area is closed in its entirety to all public occupation, hunting, and recreation.
